Children's Birthday Parties

Foxboro Recreation

Planning Your Party

Let Foxboro Recreation's Birthday Party Team create a fun, active and personalized birthday party for your child! With your input, we will carefully plan out an exciting celebration that both you and your child will love.

You and your child will arrive approximately 15 minutes before the party begins. Don't forget your camera, because you'll have plenty of time to take pictures...we do all the work (and clean up too)!

A party fee of \$200 includes your personal party coordinator for your child's 90-minute party with 12 guests; the decorated Recreation Hall complete with birthday banner, balloons and tableware; and all supplies for crafts. For parties of more than 12 guests, an additional fee of \$5 per child applies.

Party Themes

Spa

If you have a girl that likes to be pampered, then this party is perfect! Guests have their nails and toes painted as well as a facial mask.

Pool Party

The pool is open only to your guests for this fun party! Available in July and August only.

Star Wars

Have a Jedi in your family? Guests will make their own light saber, complete Jedi training and more. And a villain from the Evil Empire may even appear!

Arts & Crafts

We'll let the kids be creative and then clean up the mess! This party will be geared to your child's age group and guests will leave with their own creations.

Mystery

Does your little one love searching for clues? This adventurous party will have guests working together to solve a mystery.

Sleep Under

Everyone goes home before bedtime! Guests wear PJs, play games and make fun crafts.

Need a different theme? Our team will work with you to create a party your child will love.

Contract

Foxboro Recreation and your personal party coordinator will do most of the work for your child's birthday party. However, you will need to provide the following:

- Cake, cupcakes and/or ice cream
- Juice boxes
- Favor bags
(if you choose to offer these)
